

R I A E R

H O U S E

February 2020,

We have been remarkably blessed with another year of fruitful ministry at River House, and none of this would be possible without you! The faithful generosity embodied by our church community has supported the onward growth and development of River House, both domestically and abroad, and for this we give thanks!

Our commitment to you, the donors, is to financial transparency in all our dealings. The River House board of elders is the governing party responsible for approving the yearly budget and all new ministry expansion. The River House board is assisted in this task by an advisory finance committee that offers quarterly counsel on the financial state of the ministry. We seek to make all decisions in partnership with the wisdom of God, demonstrating effective stewardship before His eyes and before yours, the donor. Above all else we desire to please the heart of God through our financial stewardship, and believe you will find this evident.

Attached are two financial reports. The first is River House Church's financial year in review. This document details our total income received, total expenses, and a breakdown of the major expense categories during the course of 2019. The second document is the year in review from River House Global, a sister organization to our church that we sow a large portion of our yearly missions expense into. We wanted to include their report so you could get a small taste of what our money "given to missions" is accomplishing abroad!

This report is not comprehensive, as it is intended to communicate the "big picture" of the ministry finances. If you desire more information, or have questions that arise, don't hesitate to reach out to our executive pastor Jamey Stiefel with your questions.

We are still joyfully depending on God's wisdom and leadership in securing a long-term worship facility, and appreciate you're continued prayer over this matter. By His grace, our building fund has continued to grow and we believe when the day comes to act on an opportunity He presents we will be ready! Even beyond this, we greatly anticipate all 2020 holds and thank you in advance for your continued partnership in the years to come. May His Kingdom come on Earth in every place God continues to send the workers of River House Church. The last three and a half years have been incredible, and we know the best is yet to come. May His grace continue to lavish you, and all of us, as we continue seeking His face with all that is within us!

Abounding in hope,

Jordan Verner  
President, River House Ministries

# 2019 River House Ministries Financial Report
